

Prefab Sprout, Doo Wop In Harlem

There is a door we all walk through
And on the other side I'll meet you
Reunion in the air - A cappella meets pure prayer
Somewhere : I can't wait to meet you there
Somewhere : I can't wait to meet you there
If there ain't a heaven that holds you tonight
They never sang doo-wop in Harlem
If there ain't a heaven that holds you tonight
They never sang doo-wop in Harlem
There is a door it may seem locked
But in a little while - Don't be shocked
Above the noise, behind the glare
I know you're listening out there - Somewhere
Somewhere : I can't wait to meet you there
Somewhere : I can't wait to meet you there
If there ain't a heaven that holds you tonight
They never sang doo-wop in Harlem
If there ain't a heaven that holds you tonight
They never sang doo-wop in Harlem
If there ain't a heaven that holds you tonight
They never sang doo-wop in Harlem
If there ain't a heaven that holds you tonight
They never sang doo-wop in Harlem
