

# Prefab Sprout, Electric Guitars

I'd a dream that we were rock stars  
And that flash bulbs popped the air  
And girls fainted, every time we shook our hair.

We were songbirds, we were Greek Gods  
We were singled out by fate  
We were quoted out of context - it was great.

Grander than Castles, Cathedrals or stars  
Electric Guitars !  
Riots in airports - everywhere that we go  
Mascara meltdown - hysteria-a-go-go  
Electric Guitars !

Electric Guitars ! Electric Guitars !

When I woke up I was laughing  
Well what else was I to do  
Every details of the dream I had was true

We were songbirds, we were Greek Gods  
We were singled out by fate  
We were quoted out of context - we were... great
