

# Prefab Sprout, Farmyard Cat

Two green eyes and a coat of silk  
Scourge of mice with a saucer of milk  
I've got nine lives and I rhyme with mat  
I'm a farmyard cat

Farmyard cat, farmyard cat, farmyard cat, me-me-yow  
Farmyard cat, farmyard cat, farmyard cat, me-me-yow

Scrounging scraps down a dead end street  
Not for me, me the feline elite  
He dreams full cream, dairy's where he's at  
I'm a farmyard cat

Farmyard cat, farmyard cat, farmyard cat, me-me-yow  
Farmyard cat, farmyard cat, farmyard cat, me-me-yow

(He's a farmyard cat)  
All day long lounging in the sun  
Moon comes up, I'm prowling for fun  
Here she comes, well just fancy that...  
She's a farmyard cat.

Farmyard cat, farmyard cat, farmyard cat, me-me-yow  
Farmyard cat, farmyard cat, farmyard cat, me-me-yow
