

# Preluders, Everyday Girl

Don't need a justify who I am what I am,  
I just wanna be me!  
Don't wanna live a lie who I am what I am,  
how can I make you see?

I'm just myself like noone else,  
I've got to walk my own way.

I'm not your everyday girl,  
let me show you my world,  
I am ready and nothing can't stop me now..  
I'm not your everyday girl,  
be a part of my world,  
are u ready common let me show you how...

Let me do my thing, not givin up, givin in,  
they can't keep me down!  
Don't wanna live a lie, not givin up, givin in,  
let me show who I am!

I'm just myself like noone else,  
I've got to walk my own way.
