

# Preps Four, Dreamy Eyes

Dreamy eyes, who are you dreamin' of?  
Dreamy eyes, who do you really love?

Who holds - the key - to your heart?. - Oh  
Oh - Oh.

Tell me, tell me who, who do you yearn to kiss?  
Open up your heart, don't torture me like this

Your - dreams - will drive - us apart  
Bah-bah-bah, bah-bah-bah, bah-bah-bah, bah-bah-bah BAH

Your lonely lips - cry for love  
You live - and you die - just for love  
But my lips - excite - thrill - and ignite
