

# Pretenders, Human

I play a good game,  
But not good as you  
I can be a little cold, but you can be so cruel  
I'm not made of brick, I'm not made of stone  
But I had you fooled enough  
To take me on  
If love was a war, it's you who has won  
While I was confessing it, you held your tongue  
Now the damage is done...

[Chorus:]

Well there's blood in these veins  
And I cry when in pain  
I'm only human on the inside  
And if looks can deceive  
Make it hard to believe  
I'm only human on the inside

I thought you'd come through,  
I thought you'd come clean  
You were the best thing I should never have seen  
But you go to extremes, you push me too far  
Then you keep going 'til you break my heart  
Yeah, you break my heart  
See I bleed and I bruise, oh, but what's it to you  
I'm only human on the inside  
And if looks could deceive,  
Make it hard to believe  
I'm only human on the inside  
I crash and I burn, maybe some day you'll learn  
I'm only human on the inside  
I stumble and fall, baby, under it all  
I'm only human on the inside  
And the damage is done...

[Chorus]

I crash and I burn, maybe some day you'll learn  
I stumble and fall, baby, I do it all  
I'm only human on the inside
