Pretenders, I Go To Sleep

When I look up from my pillow I dream you are there with me Though you are far away I know you'll always be near to me

I go to sleep, sleep And imagine that you're there with me I go to sleep, sleep And imagine that you're there with me

I look around me And feel you are ever so close to me Each tear that flows from my eye Brings back memories of you to me

I go to sleep, sleep And imagine that you're there with me I go to sleep, sleep And imagine that you're there with me

I was wrong, I will cry
I will love you till the day I die
You were all, you alone and no one else
You were meant for me

When morning comes again
I have the loneliness you left me
Each day drags by
Until finally my time descends on me

I go to sleep, sleep And imagine that you're there with me I go to sleep, sleep And imagine that you're there with me
