

Pretty Maids, Bad Boys

Saturday night

the kids are back

ready to fight

ready to attack

Chorus:

They are bad boys

they are masters of the town

you are their toy

and they will only bring you down

Out in the streets

the battle begins

dirty deeds

the boys are gonna win

Chorus

Bad bad boys

bad bad boys

Morning light

hits your eyes

such a night

can make you cry

Chorus

Bad bad boys

bad bad boys
