

Pretty Maids, Shelly The Maid

Dont ever think you have paid
for the last love by Shelly the Maid
shell give you all her loving aid
when you need a warm bed - Shelly the Maid

Chorus:

Shelly with her belly filled with joy
she knows how to treat her boy
shell give you anything right
she wont leave you in the night
cause she knows when theres money in sight

Youll never see her pale
shell wear purple red on her toe nail
you dont ever have to be afraid
wholl never let you down - Shelly the Maid
