

# Pretty Maids, Shelly The Maid

Dont ever think you have paid  
for the last love by Shelly the Maid  
shell give you all her loving aid  
when you need a warm bed - Shelly the Maid

Chorus:

Shelly with her belly filled with joy  
she knows how to treat her boy  
shell give you anything right  
she wont leave you in the night  
cause she knows when theres money in sight

Youll never see her pale  
shell wear purple red on her toe nail  
you dont ever have to be afraid  
wholl never let you down - Shelly the Maid
