

# Pretty Poison, Catch Me I'm Falling

Are you ready boy?  
Here I come, catch me I'm falling

You came into my life  
The look in your eyes  
Took me by surprise  
It's you  
And nobody else  
Your love has made me  
So blind I can't see

I am descending  
From heaven above  
So catch me I'm fallin baby  
Hold onto my love

(Chorus)  
Catch me I'm falling  
Catch me now I'm falling  
Catch me I'm falling  
Catch me now I'm falling  
Falling in love

Two hearts beating in time  
The rhythm as one  
I am yours, you are mine  
For you  
I surrender myself  
Each night-every day  
Always feeling this way

Falling in motion  
As though I had wings  
Your sweet love and devotion  
Baby it's magic  
A magical thing

Chorus

(Tag)  
Ooooh baby, what can I do?  
I'm falling for you
