

Pretty Ricky, Hotline

"On The Hotline"

It's 5 in the mornin'
And I'm up havin' phone sex with you, you (so horny, so horny)
And now I'm on the hotline
Over here lustin' for you, you (so horny, so horny)

Let's talk about sex baby, let's talk about you and me
Let's talk about bubbles in the tub, let's talk about makin' love
Let's talk about you on top, or me goin' down
Let's have a little phone sex baby, on the hotline

On the hotline, the sun ain't up but, I had to call ya
'Cause I'm home alone lustin' fo' ya
I'm in my room, nothin' but a towel on
Take them granny panties off put a thong on
I love it when I hear ya moan
You got that sexy tone, that makes the dick long
You in a complete norther city on the fan line with nothin' but a baby tee on
You the kinda girl that's sexy in some boxer shorts
I'm the kinda playa that make you ride it like a Porsche
Yeah, I met you on myspace
Now I'm 'bout to fly you out to my place, in the mornin'

It's 5 in the mornin'
And I'm up havin' phone sex with you, you (so horny, so horny)

It's 5:30 in the mornin', good mornin'
I'm horny, I'm horny
I'm lonely, I'm lonely
I'm touchin' and rubbin'
Call me, call me, you comin', you comin'
Called you 7 times baby girl don't stall me
I wanna kiss you from your temple to your feet
To the dimples in ya cheek, to the middle of ya g-string
Conversation underneath the sheet
You know me, redbull like a energy, Imma freak

Baby girl said she love phone sex
Say the sound of my deep voice make her wet
You call me 5 am on the dot
Now I'm thinkin' 'bout you with no panties no top
Picture this, you say you comin' over
30 minutes later you was parkin' the Rover
Jumped out the car and I met you at the do'
3 seconds later you was beggin me for mo'
Kiss you in ya mouth and ya hips on my cheeks
Straight action on the carpet, rug burns on my knees
Now you on the phone like damn I made a mess
Got my hands in my pants, man, I love phone sex

It's 5 in the mornin'
And I'm up havin' phone sex with you, you (so horny, so horny)
And now I'm on the hotline
Over here lustin' for you, you (so horny, so horny)
