[Verse 1:]

I'm like shorty would you be mine?  
Think about you all the time  
You on my speed dial  
dont answer the phone and I'll be damned if I hit redial  
(Can you hear me now?)  
Good,from the first time you called I knew you understood  
But do you comprehend?  
Girl,get wit the plan  
I'm like one hour,compared to a minuteman  
I'm everlasting  
I want longevity  
Under Pretty Ricky baby where you need to be

[Chorus]

[Verse 2:]

I know you young, but you ready  
(I know you young, but you ready)  
See, we can bump and grind like R. Kelly  
(We can bump and grind like R. Kelly)  
Baby we aint gotta fuss and fight  
(We aint gotta fuss and fight)  
Let's take our time and do it right  
We gonna make love tonight  
I'm like a love rollercoaster  
Flip you over  
Make you scream my real name  
Holla Diamond Blue Smith when you feel the pain  
Aint runnin game

When I push pull me closer  
Let me put this thing on ya  
Like your lover suppose to  
I'm the one you need girl  
Girl,let me show ya
