Sip kool-aid from outta ya navel,
Grip dat ass like a hand a play-doe
Butta dat thang like a baked patate

So sit dat thang on my face then ride it, before I cum inside it

While you catch yo breath slowly climin on top

Growing feelings for one another baby girl
I am so willing, I understand you got a man
But makin plans to be wit me
By havin problems wit dat lame
But baby now ya playin games
Just the other night you came around wit a black eye
Come to find out your man at home playin big guy
It ain't my buisness and ain't in it
All that noise you can kill it I don't feel it
But I wanna know who's baby is it
I'm so confused and I don't know what to do
Sometimes I love you but I don't but I do
I'm so in love wit ya fool
