

Pretty Willie, Designer Luv

Chorus:

She want a lot of luv
But he ballin' got ya head with that designer luv
and I wanna change your world
but your such a material gurl
She want a lot of luv
But he ballin' go ya head with that designer luv
and I wanna change your world
but your such a material gurl

Verse 1:

Now I done seen so many gurls
that let a man come in and change they whole world
OK I know you like nice things
but there's more to life than cars and bling
Oh yes I know he gives you cash
but without real luv this thang won't last
oh he ok when you let him spash
but when you not in the mood he treats you like

Break:

First day first he played sisterwee
Second day he took you on a shopping spree
third day you realize you wanted me
now amit it after sex ya body's callin me

Chorus 2x

Lift:

She want a
alot of love
she want a
alot of love

Verse 2:

Now I recall me and you
when you were down and out and feeling so blue
and see I listened to you
