

Prevent Falls, Resolution

so now you tell me the truth.
it's not what i want to hear.
but i do not make a sound.
there's just too many things.
i can not forget about you.
i wont let this bring me down.
and now i hold my head up high for you.
hoping that these dreams come true.
but anyway i try.
i'll come at the wrong time and miss you.
watch me i'm falling for this.
i can't take a hint i guess.
at this point i am unwound.
and there's just nothing to lose.
when you have nothing.
i'll be waiting when you come around.
