so now you tell me the truth. it's not what i want to hear. but i do not make a sound. there's just too many things. i can not forget about you. i wont let this bring me down. and now i hold my head up high for you. hoping that these dreams come true. but anyway i try. i'll come at the wrong time and miss you. watch me i'm falling for this. i can't take a hint i guess. at this point i am unwound. and there's just nothing to lose. when you have nothing. i'll be waiting when you come around.
