

Prezioso, Goodbye Girl

Footsteps echo on familiar streets
Crossing bridges never burned
I am tired of playing hide and seek
Is this all that I have learned
Looking for a diamond in the dark
I was sure you were the one
You held me spellbound while you made your mark
Now the damage has been done

Goodbye girl it's a game we play everytime we say
Goodbye girl you hypnotize
I can't say goodbye

I'm afraid when i turn out the light
Words you say while you're asleep
Where you were and what you did last night
Those are secrets you can keep

Tied to you blood on the wire
Don't you know you push me much too far
Just who do you think you are
I can't escape, must all roads lead to Rome
Everytime I say goodbye you hypnotize
