Prima Dona, Lucky Star

You must be my Lucky Star
'Cause you shine on me wherever you are
I just think of you and I start to glow
And I need your light
And baby you know

Chorus

Starlight, starbright first star I see tonight Starlight, (starbright)make everything all right Starlight, starbright first star I see tonight Starlight, (starlight) yeah

You must be my Lucky Star 'Cause you make the darkness seem so far And when I'm lost you'll be my guide I just turn around and you're by my side

Chorus

Starlight, starbright first star I see tonight Starlight, (starbright) make everything alright Starlight, starbright first star I see tonight Starlight, (starlight) yeah

Come on shine your heavenly body tonight 'Cause I know you're gonna make everything all right

You may be my lucky star But I'm the luckiest by far
