

Prima Dona, Runaway Lover

You lost your reputation on a woman
You didn't understand or care to know
You get your education from your lovers
But now there's just no place for you to go

Chorus

It doesn't pay
To be a runaway lover
It doesn't pay
To give away what you lack
You'll never get your money back

You're set adrift with no direction
Just like a ship that's lost at sea
You don't care where you drop your anchor
Make sure it doesn't land on me

Chorus (x2)

It doesn't pay
To be a runaway lover
It doesn't pay
To give away what you lack
You'll never get your money back

Walking around on a cloud
'Cause every girl you meet just trips on you
Saying your name out loud
I guess you met your match
Now what will you do

Don't give it away

Chorus (x2)

It doesn't pay
To be a runaway lover
It doesn't pay
To give away what you lack
You'll never get your money back

Walking around on a cloud
'Cause every girl you meet just trips on you
Saying your name out loud
I guess you met your match
Now what will you do

It doesn't pay
It doesn't pay
It doesn't pay
To give your heart away
To a runaway lover

Uh uh, no way
Don't give it away
Uh uh, no way
