

# Prima Dona, Sky Fits Heaven

Sky fits heaven so fly it  
That's what the prophet said to me  
Child fits mother so hold your baby tight  
That's what my future could see

Traveling down  
This road,  
Watching the signs as I go  
I think i'll follow the sun  
Isn't everyone just  
Traveling down  
Their own road  
Watching the signs as they go

Fate fits karma so use it  
That's what the wise man said to me  
Love fits virtue so hold on to the light  
That's what our future will be

Traveling down  
This road,  
Watching the signs as I go  
I think i'll follow the sun  
Isn't everyone just  
Traveling down  
Their own road  
Watching the signs as they go

I think i'll follow my heart  
It's a very good place to start

Traveling down my own road  
Watching the signs as they go

Traveling, traveling

Watching the signs as they go

Hand fits giving so do it  
That's what the Gospel said to me  
Life fits living so let your judgments go  
That's how our future should be
