

# Prima Dona, Swim

Put your head on my shoulder baby  
Things can't get any worse  
Night is getting colder, sometimes...  
Life feels like it's a curse  
I can't carry these sins on my back  
Don't wanna carry no more  
I'm gonna carry this train off the track  
...Gonna swim to the ocean floor

mmmmmmmmmmmmmm

Crash to the other shore

mmmmmmmmmmmmmm

Swim to the ocean floor

Children killing children while the...  
Students rape their teachers  
Comets fly across the sky  
While the churches burn their preachers  
We can't carry these sins on our back  
Don't wanna carry anymore  
We're gonna carry this train off the track  
We're gonna swim to the ocean floor

mmmmmmmmmmmmmm

Crash to the other shore

mmmmmmmmmmmmmm

Swim to the ocean floor

Let the water wash over you  
Wash it all over you  
Swim to the ocean floor

So that we can begin again  
Wash away all our sins  
Crash to the other shore

mmmmmmmmmmmmmm

mmmmmmmmmmmmmm

I can't carry these sins on my back  
Don't wanna carry anymore  
I'm gonna carry this train off the track  
I'm gonna swim to the ocean floor

mmmmmm

Crash to the other shore

mmmmmm

Swim to the ocean floor

We can't carry these sins on our back  
Don't wanna carry anymore  
We're gonna carry this train off the track  
We're gonna swim to the ocean floor

Crash to the other shore  
Swim to the ocean floor

mmmmmm

Crash to the other shore
