

# Prima Donna, Love enough for two ( Eurovision 1

If there's a place in your heart for me  
There's a room in my place for you  
'Cause I've got love enough...  
Yes, I've got love enough...  
Love enough for two  
It isn't every road that leads me home  
It isn't every day I'm on my own  
But when I'm feeling sad and all alone  
I think of you, yes, I do  
You've got a very special kind of style  
There's something in your eyes each time you smile  
So tell me you can stay for just a while  
And love me too  
If there's a place in your heart for me  
There's a room in my place for you  
'Cause I've got love enough...  
Yes, I've got love enough for two  
If there's a time in your life for me  
I've got a lifetime to spend with you  
'Cause I've got love enough...  
Yes, I've got love enough...  
Love enough for two  
It isn't every day you meet someone  
You wanna pin your wildest dreams upon  
It's true you haven't known me very long  
But I hope and pray that you'll stay  
There's something in the way you touch my soul  
It seemed that I was half, but now I'm whole  
You've got me under your complete control  
In every way  
If there's a place in your heart for me  
There's a room in my place for you  
'Cause I've got love enough...  
Yes, I've got love enough for two  
If there's a...  
If there's a time in your life for me  
I've got a lifetime to spend with you  
'Cause I've got love enough...  
Yes, I've got love enough...  
Love enough for two  
Oh... I've got love enough...  
Oh... I've got love enough...  
Love enough for two
