

Prima J, Gotta Lotta

Rock your body
Rock, rock your body (repeat 3 more times)

Who like to party

[CHORUS:]

Oh!
Gotta get up off the wall
Gotta get down on the floor
Gotta lotta what they want
But they gotta jump
Oh!
Gotta get up off the wall
Gotta get down on the floor
Gotta lotta what they want
But they gotta jump
Oh!

Bass bumpin', people jumpin' to the beat
Everybody's groovin', got this party on its feet
I got the DJ rockin'
B-boys clockin'
Fakers jockin'
All in my scene
So if you came to get down
Get out 'cha seat
Let's get it started
Play your part it
Ain't that hard just
Follow my lead
If you still don't get it, yo "J"
Tell 'em what I mean

Now pop till you can't no more
We got the style so hot it's incredible
Do the whip to the whop to the candy store
We won't stop till you had enough
Uh, Get up on the dance floor
Clap your hands to the beat like Simon says, boy
Got the heat that'll make you feel joy
Run it back, 2 steps to the beat, uh

[Chorus]

If you know that you're hot
Let's see what you got
Set fire to the floor, gonna burn it up
If you're only gonna come halfway
Don't even come at all
Because the people wanna see you
Bring it on before the end of this song
Just feel the music
Let your body rock to it
And do it, do it, do it
So if you know you're fly
Then it's the time
To show the people how it's done
I said feel the music, let your body rock to it
And do it, do it, do it

Rock ya body, who like to party
Throw your hands up and don't hurt nobody
We just came to party wit you
And raise 'em up high if you like to do too

So rush to the dance floor
Rock it, rock it, pop it, pop it
Show the people what they came for
Drop it, drop it
You can't top it

[Chorus]

I move so
Bionic, supersonic, hypnotic
On the floor
And when we
Flaunt it, they try to cop it
And everybody knows
We can move it, rock it
Pop it, lock it, drop it down low
So while you're sitting on the sidelines
Take notes from Prima J, you know
Watch us rock and roll it
Reggaetone it
Hip-hop it, you know that's it's on
We came to party
And won't leave till the party's done

Gotta lotta moves, gotta lotta skillz
Got the right things to pay the right bills
Who wanna battle the best
I take all down
Who step up next
What you hear is not a test
We came out to rock wit you
So that's what we're gonna do
Just make your body move

To the left, to the left
To the right, to the right
To the back, to the back
To the back, to the back
Now shuffle, shuffle
Shuffle, shuffle
Now slide, slide
Slide, slide

[Chorus x2]
