

Prima J, Homework

I don't need, I don't want anymore Homework (Homework)
Got enough on my plate don't need more Homework (Homework)
Jessica
When I wanna go, You wanna make me to stop
When I wanna stay, you tell me to get up, get up, get up
When I wanna play, You wanna be hot
When I wanna love, You tell me to Shut up, Shut up, Shut up
Jessica
I'm breakin down cause you don't want to talk
I bring things up and you brush me off
Waiting on your lovin keep me standin while you frontin
You gone keep on messing round
And I'ma give my number out
I don't need, I don't want anymore Homework (Homework)
Got enough on my plate don't need more Homework (Homework)
Can't you see love should be easy
Not hard just real breezy
I don't need, I don't want anymore Homework (Homework)
Janelle
When I wanna chill, You wanna go out
When I wanna hit it, you say that you tired, you tired, you tired
When I wana jam, You wanna be still
I put in all this work to find out you lied, you lied, you lied
Jessica
I'm finding out things I don't wanna hear
Ya slowly letting the love disappear

Not like I ain't give you chances boy you just want make there so
I don't need, I don't want anymore Homework (Homework)
Got enough on my plate don't need more Homework (Homework)

Somebody who's gonna treat me right
