Primal Scream, Come Together (Us Single Version

Come together oh oh Come together oh oh Come together oh oh Come together

Kiss me, won't you won't you kiss me Won't you won't you kiss me Lift me right out of this world Trip me, won't you won't you trip me Won't you won't you trip me Lift me ride me to the stars

I'm free you're free I'm free I want you to touch me Come touch me Now it's all too much All too much All too much

Kiss me, won't you won't you kiss me Won't you won't you kiss me Lift me right out of this world Trip me, won't you won't you trip me Won't you won't you trip me Lift me ride me to the stars

I'm free you're free I'm free I want you to touch me Come touch me Now it's all too much All too much All too much

Come together oh oh Come together oh oh Come together as one Come together as one Up and away Come together oh yeah Up and away
