

Primal Scream, Cry Myself Blind

Nothin' last forever
It's so sad to lose your love
I've been crazy since you left me
I'm sorry for what I've done
Why did you go, why did you go

Have you ever had a broken heart
Have you ever lost your mind
Have you ever woke up screamin'
'cause you're so lonely you could die
Why did you go, why did you go
I'm lonely baby

Cry, cry, cry
Cry, cry, cry
I'm gonna cry myself blind

Cry, cry, cry
I'm gonna cry myself blind

Good times don't come easy
Dreams don't all come true
The world looks like a prison
When you're stingin' with the blues
Why did you go, why did you go
I'm gonna cry myself blind

Repeat chorus (x2)

Cry, cry, cry
Cry, cry, cry
Cry, cry, cry
Cry, cry, cry...
