

Primal Scream, Free

Got a sad destructive feelin'
Creepin' through my soul
When i'm awake and when I'm dreamin'
Just won't leave me alone

I know you've got another lover
I know you've got something to hide
You've been acting kind of nervous
You can't look me in the eye

[Chorus]
I can tell, I can tell
I can tell you're cheatin' me
You're cheatin' me
Cheat, cheat, you're cheatin' me
Oohh, Baby,
I'm free of you
Oohh, Baby,
Free of you

Don't want you to touch me
Don't you touch me
Don't you touch me
Everything is broken
I believe in you no more

Does she satisfy you, honey
Does she make you feel alive
I can't stand the thought of you naked
In someone else's arms

[Chorus] (2x)

I'm free of you
I'm free of you
I'm free of you
Said I'm free of you
I've got this sad destructive feelin'
In my body, baby?

You've been cheatin' on me
You've been cheatin' on me
You've been cheatin' on me
I can tell, I can tell
You've been cheatin' on me
And now I'm free of you
