

# Primal Scream, Insect Royalty

Free fall to violence, few reach the soul  
Jagged metal bad life, few reach the soul  
I'm a host, I'm a host, I'm a host,  
I'm a host to a sucker disease  
Parasites, parasites, parasites, parasites, parasites in me

Insect royalty live inside of me  
Insect royalty live inside of me  
Insect royalty breathe (beat?) inside of me  
Insect royalty breed inside of me

Mess with the perfume, work at the disease  
And make you die if you don't dream  
Feel the heat, feel the heat, feel the heat, feel the heat,  
Feel the heat in me  
Demon seed, demon seed, demon seed, demon seed,  
Demon seed In me

Insect royalty live inside of me  
Insect royalty live inside of me  
Insect royalty beat(?) inside of me  
Insect royalty bleeding inside of me

Insect infect, Insect infect  
Insect infect, Insect infect  
Insect infect, Insect infect  
Insect infect, Insect infect
