

Primal Scream, Loaded

Just what is it that you want to do?
We wanna be free
We wanna be free to do what we wanna do
And we wanna get loaded
And we wanna have a good time
That's what we're gonna do
No way baby lets go
We're gonna have a good time
We're gonna have a party

I don't wanna lose your love (4x)

Just what is it you wanna do?
I'm gonna get deep down, deep down
I said, (I'm gonna get deep down) deep down
Woo hey!

We wanna be free to do what we wanna do
Let's go!

[Gospel]
I don't wanna lose your love (2x)

We wanna be free to do what we wanna do

[Bobby]
Ahhh yeah
