

Primal Scream, Shine Like Stars

Baby, i love you, baby i need you

Baby, i love you, baby i need you

Baby, i'm lonely

i need you here to hold me

i'm sad, so sad and blue

i'm not with you*

Baby, i'm thankful

thank you for your kindness

Baby, i'm thankful

thankful, thankful

thank you for your kindness

you always stood by me

you never denied me

i'm sad, so sad and blue

i'm not with you

*repeat

shine on me, sister

let your lovelight shine

shine a light on me, sister

I've got a ragged heart

i'm feelin' dark

let it shine, let it shine

let your lovelight shine

*repeat

please hold me, i'm lonely

please hold me, i'm lonely...
