

Primal Scream, Sonic Sister Love

How much do I love you
Well, I wish you'd never asked
For love is such a massive word
To contemplate our task

[Chorus]

For I know that you'll never let me down
Oh I know that you'll never let me down

In this world where innocence
Is laughed at by the unkind
We lack the sense of wonder
Or a beauty... wine

Chorus

I don't want to own you
I just want to be your friend
The best one that you'll ever have
It's true I can't pretend

Chorus

You'll never let me down
You'll never let me down
Oh, never let me down
Oh, never let me down
