

# Primer 55, Set It Off

once again it's on and all the kids are lined up  
pumpin' their fist in the air getting fired up  
it's all about you it's all about your loyalty  
keepin it real your part of the family and that's  
who i am and that's where our heads at all that rockstar  
ego-shit we ain't about that  
cause i feel the love and i feel the unity  
you and me raisin the fuckin' roof  
so let's fuck up this bitch  
fuck it up  
set it off  
set it off set it off bitch set it off  
come in to our world i open all your eyes up  
the word on the street can you feel the heat rise up  
and see what my troops did i'm telling the truth kid  
all the hard heads in the pit getting stupid so what  
should we do is this what you wanna see are you down  
muthafucka wanna get crazy cause i feel the love and i  
feel the unity you and me raising the fuckin' roof  
so let's fuck up this bitch  
fuck it up  
set it off  
set it off set it off bitch set it off  
life's a gift we all make our choices as one we all bring our forces  
hey muthafucka i'm talk to you  
yeah you muthfucka, i'm through fuckin' with you  
now i don't need that shit and i don't like that shit  
i flip the script and i re-write that shit  
sucker mc's hear my spit and they bite that shit  
i grab the mic and i ignite that shit  
good times like j.j. all dynamite and shit  
i don't quit, like a pheonix i take flight and shit  
oh yeah you fuck with me i'll fight like a pit  
and shit all over everything you love  
and all that you hold sacred  
open up my eyes and see your face  
the muthfuckin' face of hatred  
so let's fuck up this bitch  
fuck it up  
set it off  
set it off set it off bitch set it off  
set it off right
