

Primitive Radio Gods, Devil's Triangle

One more animal
One more vegetable
One more loss of motor
One more falling for

One more silent shows
Swimming in the devil's triangle
One more wad of it, well
Now we're getting close to the heart of it!

One more piece of meat
One more grain of sand
One more bad decision
One more massive rain

One more silent shows
Swimming in the devil's triangle
One more wad of it
I'm getting close to the heart of it!
