

# Primitive Radio Gods, Message From Steven

Got a message from Steven  
Must've got it bout late last night  
Just a note that he's leaving  
Everything that won't fit inside the van  
There's nothing to hold  
Barbara said she'd cover it all

Got a message from Steven  
Got a job and I found your vest  
He'll be sending me something  
But the tape ate the rest  
And someone called and wanted to know  
All the time he wanted to go  
What a time he wanted to go
