

Primus, Camelback Cinema

Go....

Camelback Cinema
Camelback Cinema
Camelback Cinema-a-a-a-a-a-a-a

He's standin' tall at 5 foot 4
With the sharpness of a troubadour
I dare you look him in the eye
His stench would make a buzzard cry
He likes Burt in White Lightning

Camelback Cinema
Camelback Cinema
Camelback Cinema-a-a-a-a-a-a-a

Camelback Cinema
Camelback Cinema
In the dark she sat and wait
For her steady random date
Reflecting back to a time
When eager boys would stand in line
She likes Burt in White Lightning
She likes Burt in White Lightning

He's standin' tall at 5 foot 4
Lurking in the corridor
He came to buy his weekly whore
At Camelback Cinema.

Go, go, go, go, go, go, go, go, go, go, go, go, go, go,
go, go, go, go, go, go, go, go, go, go, go, go, go, ... go!
