

# Primus, Del Davis Treefarm

Del Davis sold a Christmas tree  
Stood up to 8 feet tall  
Season was lookin' mighty thin  
He'd hoped to sell 'em all  
Here he comes with a dollar in his hand  
Represents the epitomized man

The boy liked rock 'n' roll  
Seemed that's the way he paid his way  
With the help of Del and them "Doogs"  
There's a bit more joy this holiday

Here he comes...
