

# Primus, Mr. Krinkle

Hello Mr. Krinkle how are you today?  
Seems the rumors are about your team might move away  
Now, me I'm sentimental  
But I'm not one to cry

Say there Mr. Krinkle  
let's cruise the Bastard boat  
Damn them sonsabitches with their gill-nets set afloat  
I flip on my tele and I watch the waters die

C'mon Mr. Krinkle tell me why  
C'mon Mr. Krinkle tell me why  
C'mon Mr. Krinkle won't you please tell me why  
tell me why

Hey ho Mr. Krinkle  
have you heard the brand new sound  
It's a cross between Jimi Hendrix, Bocephus, Cher and James Brown  
It's called "Heavy Hometown New Wave Cold-filtered Low-calorie Dry"

C'mon Mr. Krinkle tell me why
