

Prince, Animal Kingdom

I saw a friend of mine 2day
In an ad sayin' what would do my body good
I told him he was wasting time I say
If God wanted milk in me
The breast I suck would have a line around the hood

No member of the animal kingdom nurses past maturity
No member of the animal kingdom ever did a thing 2 me
It's why I don't eat red meat or white fish
Don't give me no blue cheese
We're all members of the animal kingdom
Leave your brothers and sisters in the sea

Animal, animal kingdom [x2]

Who told us we should eat the swine?
U can bet your final money it damn sure wasn't no friend of mine
What about the clams on the shore?
Souls in progress, here come the fisherman - soul no more

No member of the animal kingdom nurses past maturity
(Nurses past, oh yeah)
No member of the animal kingdom ever did a thing 2 me
(Ever did a damn thing)
So I don't eat no red meat or white fish
Or funky, funky blue cheese
We're all members of the animal kingdom
Leave your brothers and sisters in the sea

Animal, animal kingdom [x3]
