

# Prince, Anna Stesia

Have U ever been so lonely  
That U felt like U were the  
Only one in this world?

Have U ever wanted 2 play  
With someone so much U'd take  
Any one boy or girl?

Anna Stesia come 2 me  
Talk 2 me, ravish me  
Liberate my mind  
Tell me what U think of me  
Praise me, craze me  
Out this space and time

Between white and black, night and day  
Black night seemed like the only way...  
So I danced

Music late, nothing great (Music late, nothing great)  
No way 2 differentiate (No way 2 differentiate)  
I took a chance

Gregory looks just like a ghost  
And then a beautiful girl the most  
Wets her lips 2 say

"We could live 4 a little while  
If U could just learn 2 smile  
U and I could fly away, fly away."

Anna Stesia come 2 me  
Talk 2 me, ravish me  
Liberate my mind  
Tell me what U think of me  
Praise me, craze me  
Out this space and time

Maybe, maybe, maybe I could learn 2 love  
I mean the right way, I mean the only way  
Perhaps U could show me, baby (show me, baby)

Anna Stesia come 2 me  
Talk 2 me, ravish me  
Liberate my mind

Maybe, maybe, maybe I could learn 2 love  
If I was just closer 2 somethin' (closer)  
Closer 2 your higher self  
I don't know  
Closer 2 heaven (Maybe) closer 2 God (closer to God)

Save me Jesus, I've been a fool  
How could I forget that U are the rule  
U are my God, I am Your child  
From now on, 4 U I shall be wild  
I shall be quick I shall be strong  
I'll tell Your story, no matter how long (no matter how... no matter)

We're just a play in Your master plan  
Now, my Lord I understand

(I understand)

Love is God, God is love  
Girls and boys love God above  
[repeated over chorus]
