

# Prince, Beautiful, Loved And Blessed

Wake up  
Ur beautiful, loved and blessed  
Feel me? (I think I do)  
When U found me I was just a piece of clay  
I was 4mless, U gave me a new name  
With the breath of life I now live abundantly  
All I needed was the potter's hand  
And the blood on Calvary (that's right)  
But 2 much power (tell it)  
Can can sometimes turn 2 shame  
2 much desire  
Sometimes makes U feel the same (come on)  
But 4giveness is how U win the game  
I begged 4 truth, now I know the truth  
And that is when U came and said I was...  
Beautiful, loved and blessed  
I'm better than the day b4  
Cause U made me confess that I am...  
Beautiful, loved and blessed  
When U're free U're really free indeed  
All U gotta do is just plant the seed  
A constant battle 2 stay ahead of the game  
Is anybody famous when everybody wants fame?  
Always trying 2 break U down  
Thinkin' that'll raise 'em up  
I just wanna b happy  
Come take this bitter cup from me  
If I were ever 2 write my life story  
I could truly say through all the pain and glory  
I was just a piece of clay in need of the potter's hand  
Cause when U whispered in my ear  
The words I so now understand, oh...  
Beautiful, loved and blessed  
I'm better than the day b4  
Cause U made me confess that I am...  
Beautiful, loved and blessed  
When U're free U're really free indeed  
All U gotta do is just plant the seed  
Everything U made U said, &quot;That's good&quot;  
B4 the fall of man U said, &quot;That's good&quot;  
Everytime I walk in faith, that's good  
U let me see another day, that's good  
B4 the earth was made U said,  
&quot;Tamar, I will lead the way and U'll go far&quot;  
Knowledge and understanding  
Understanding is good  
And when I wake up in the morning  
All I hear in my hood is people saying that they're...  
Beautiful, loved and blessed  
When U rescue me from the darkness  
and our heart just must confess  
Beautiful, loved and blessed  
When U're free U're free indeed  
All U gotta do is just plant the seed  
Hey, hey, hey  
Wake up it's a new day  
Hey, hey, hey  
Wave Ur hands in the air and say  
Hey, hey, hey  
Wake up it's a new day  
Hey, hey, hey  
Wave Ur hands in the air and say  
Beautiful, loved and blessed  
U rescued me from the darkness in the wilderness

But I am beautiful, loved and blessed  
No matter what the challenge  
I always pass the test  
That's what I am, beautiful  
That's what I am, beautiful  
I don't mean 2 put nobody down  
Still I must confess that I am...  
Beautiful, that's what I am  
That's what I am  
When U wanna give up, don't cause U know  
U always got a friend  
That's what I am, that's what i am  
Thats' what I am  
Beautiful, beautiful  
That's what I am, that's what i am  
Thats' what I am  
Beautiful, beautiful  
oh yeah, oh yeah  
Beautiful, beautiful  
Beautiful, beautiful
