

Prince, Boom Boom Can't U Feel The Beat Of My

Can't U feel the pumpin', baby?
Boom boom, pumpin', baby
Can't U feel the beat of my heart?

B-b-b-boom boom {x2}

Come a little closer, baby
Put your hand on my chest
Feel the beat of my heart pumping through my dress
Something's on fire, baby
It's burning me up
Desire, it must be cuz your body's 2 much

CHORUS:

I promise not 2 bite

U can tear my clothes off
Cut my brand new dress
Something tells me U just might be the best

Boom boom, pumpin', baby
Can't U feel the beat of my heart?

Come a little closer, baby
Put your hand on my chest
Feel the beat of my heart pumping through my dress
Something's on fire, baby
