

# Prince, Chelsea Rodgers

A model !! Used to be a role model

I don't know  
Come on Chelsea!  
I don't know  
Come on

Ah, go ahead now Chelsea! Go ahead now!  
Uh, this for Jersey right here.  
Go ahead now!

Chorus:  
Chelsea Rodgers was a model  
Thought she really rocked the road, yes she did  
Kept her tears up in a bottle  
Poured them out to save her soul

Ask her what she liked the most  
She said, she liked to talk to Jimi's ghost, Ow!  
Fantasy, her friends boast This girl is fly  
Chelsea's fly, like coast to coast  
Hollywood or Times Square  
If the party's fly, my girl is there yes she is  
Purple's on and bounce in her hair  
21st Century hippy, Chelsea don't care

## CHORUS

Try to catch her if you can Come on now together  
You never see her with my man Uh, a brother got to jump n the water  
He must be baptized, according to the masterplan,  
Fore she give up the good thang  
Go ahead Chelsea! Go ahead Chelsea!

No cut diamonds, and designer shoes  
Cause she's too original from her head down to her feet  
Rehab If you want to just don't mean no me  
Chelsea don't eat no meat, still got butt like a leather seat  
Go ahead Chelsea! .. Go ahead Chelsea!!

## CHORUS

Go ahead Chelsea! Speak on that horn

Come on  
Next to her they just a fool.  
Chelsea read more books than a few  
Moses was a Pharoah in the 18th Dynasty  
And Rome was chilling in (??)  
And the day that we stop counting, we live as long as a tree  
Go ahead Chelsea, teach me! Go ahead Chelsea.

Make a promise to your higher self, get you nothing, fame and wealth  
You don't be chasing nobodies ghost.  
Of everything, make the most Come on!
