

Prince, Cookie Jar

{"Jesus" & "Baby" sample in BG throughout}

Another life goes 2 the winner
Another soul goes 2 the dream
Another hell goes 2 the sinner
Don't give up no matter how tough it seems

Come and dig the power of somethin' above ya
It was there all along cuz it was made 2 love ya
It gave your flowers rain
Even though U won't play His game
U push it away but still it's pullin' 4 ya (I don't know)

CHORUS:

I don't know what He'll do witcha when He getcha
Put U in His cookie jar, save U 4 a rainy day
I don't know what He'll do witcha when He getcha
Put U in His cookie jar, save U 4 a rainy day

He might need U on the Eve Of Destruction
2 co-sign His order on that Judgment Day
Shout His name from the highest hill
The bigger the headache, the bigger the pill
Every purple mutha need 2 look His way
The funk is here 2 stay

CHORUS

(I don't know)

Another life goes 2 the winner
Another soul goes 2 the dream
Another hell goes 2 the sinner
Don't give up no matter how tough it seems

All in all, we got 2 come 2gether
And make a world that's 7 light-years better
Come on, don't be shy
So they're laughin' high
It's waiting 4 those who can storm the weather
Hey!

I don't know what He'll do witcha when He getcha

I don't know what He'll do witcha when He getcha
Put U in His cookie jar, save U 4 a rainy day (Save ya, save ya)

I say I don't know

(CHORUS)

Save ya, baby

Oh no, yeah

(CHORUS)

I.. I.. I.. oh I

Save, save, save me baby

I.. I..

I.. I.. I don't know what He'll do witcha

I.. I..

I.. I.. I.. I.. I don't know what He'll do witcha when He getcha

Put U in His cookie jar, save U 4 a rainy day
