

# Prince, Everlasting Now

I knew this dude  
He was very cool  
He used 2 rule  
Until he went 2 school

Not a normal school  
That breeds a fool  
But the ones that teaches  
Men aren't fit to rule

That's when he took his pearly crown  
He raised it up and spun it 'round  
And tossed in2 the deep blue underground

No longer lead by the ways of men  
He looked 4 the kingdom deep within  
That's when the drums in his head began 2 pound

Don't let nobody bring u down  
Accurate knowledge of Christ and the Father  
Will bring the Everlasting Now  
Join the party, make a sound  
Share the truth, preach the good news  
Don't let nobody bring u down  
The Everlasting Now

Now turn the page, at an early age  
This brutha on stage, he was all the rage  
He taught an integrated world 2 sing  
The color u are don't mean a thing  
Everybody's a star all the everyday people sang

He changed the funk, put it in a bag  
Then he changed the colors of the flag  
But u can't teach a dog new tricks if his tail don't wag  
Don't know matter how much money u made  
All the cars u got and all the women u laid  
Mess with the flag and 2 them u're still a spade

Don't let nobody bring u down  
Accurate knowledge of Christ and the Father  
Will bring the Everlasting Now  
Join the party, make a sound  
Share the truth, preach the good news  
Don't let nobody bring u down

## The Everlasting Now

See this girl in her make-believe world  
Plastic boobs and clip-on curls  
'Round the pole see her big butt twirl  
There r the dreams that do unfurl  
Never everlasting

Don't let anybody bring u down  
The Everlasting Now

Watch that girl in her make-believe world  
Plastic boobs and clip-on curls  
'Round the pole see her big butt twirl  
Electric beaches skin do bake  
Vanilla fudge and wedding cake  
If u should die b4 u wake

U got any last requests 2 make?

Johnny, B. Well and bring the beat

From this day forward 'til times indefinite, those who love Christ r the  
ones who benefit. All the players' ice melted in2 one platinum chain and in  
a downward spiral it dropped down the chain.

&quot;U know, this is funky but I wish he'd play like he used 2, old scragglyhead.&quot;

Don't let nobody bring u down  
Accurate knowledge of Christ and the Father  
Will bring the Everlasting Now  
Join the party, come on make a sound  
Share the truth, preach the good news  
Don't let nobody bring u down
