

# Prince, Forever In My Live

La da da da da da da da

There comes a time, in every man's life

When he get's tired of foolin' around

Juggling hearts in a three ring circus

Someday will drive a body down 2 the ground

I never imagined that love would rain on me

And make me want 2 settle down

Baby it's true, I think I do

And I just wanna tell u that I wanna with u (baby, if u do 2)

And baby if u do 2

Forever, forever, baby I want u forever

I wanna keep u 4 the rest of my life (u can make right)

All that is wrong in my world (u are my saviour)

U can make right (u are my light)

U are my saviour, u are my light (forever I want u in my life)

Forever I want u in my life

(la da da da da da da da)

(la da da da da da)

(every man's journey)

There comes a road in every man's journey (don't be afraid)

A road that he's afraid 2 walk on his own (I'm at that road)

I'm here 2 tell u that I'm at that road (I'd rather walk it with)

And I'd rather walk it (u than walk it alone)

With u than walk it alone (u are my future)

U are my hero, u are my future (no past)

When I am with u, I have no past

Oh baby my one and only desire (make this feelin' last)

Is find some way in this doggone world (sugar it's true)

2 make this feelin' last (I know I do)

Oh baby it's true, I know I do (2 with u)

And I just wanna tell u that i

Want 2 with u, yeah

And baby if u do 2

Forever, forever, I want u baby, baby forever (u can make right)

I wanna keep u 4 the rest of my life (u are my saviour)

All that is wrong in my world (u are my light)

U can make right (forever I want u in my life)

U are my saviour, u are my light (la da da da da da da da)

Forever I want u in my life (la da da da da da da da)
