

Prince, G-Spot

"F" is 4 frustration
I'm looking 4 what isn't really there
"I" is instigation
I'm listening 2 the voice beneath my hair
"N" is 4 the naked body
And 4 what my naked eye can see

CHORUS:

G-spot, G-spot
Where, oh where can U be?

"A" is 4 America
And 4 the things U read in magazines
"L" is 4 location
I am a clock, the time is 9:15
"L" is 4 the lust we share
We want 2 know that infamous pleasure

CHORUS

"Y" is 4 my yearning
I'm burning into mystery

CHORUS

G-spot {x3}

Ooh yeah
Yeah, yeah
Oh, oh Lord
