

Prince, Jam Of The Year

Ooh!

This is the joint I've been layin' 4 all night
This is the one that really gets me gone
The DJ's on point, I'm sayin' he's alright
We gonna fun baby, baby, it's on

Gotta new Puerto Rican score
And she doin' it on the floor
When the groove rubberbaby's hot
I'm givin' it all I got

Ooh, everybody's here
This is the jam of the year
Ooh, everybody's here
This is the jam of the year

Gimme a drummer and a funky bass line
That's all I need and I'm ready 2 flow
Been chillin' in the cut and now I'm comin' 2 get mine
And if I hit U once, I got 2 hit U some more

Gotta new Puerto Rican score
And she doin' it on the floor (Doin' it on the floor)
When the groove rubberbaby's hot
I'm givin' it all I got

Ooh, everybody's here
This is the jam of the year
Ooh, everybody's here
This is the jam of the year

(Everybody's here)
Yeah, ooh

Ooh!

Let's make a toast 2 the host with the most, heh
Raise your glass if U're on your own, yeah
(Raise your glass if U're on your own)
All the girls say "Ho!" (Ho!) if your man's givin' up the gold
All the fellas say "Woof!" if U're only givin' up the bone
2night we're gonna hide it

(Whatcha say, baby?)
Yeah, baby
