M... P... L... S

Who turn the mother out?

Oh yeah - That's what I'm sayin' (get funky)  
That's what I'm sayin'  
That's what I'm sayin'

Who turn the mother out?

(That's what I'm sayin')  
Tony, you were excellent (That's what I'm sayin')  
What you need is a manager (That's what I'm sayin')

For what?

I can make you... Money minders are like parasites  
They pose and wheelers and  
Dealers for your rights. And most  
Companies say that you need em!  
Not me... But I've kicked back, observed, and  
I'm honest... Watched 'em bleed 'em  
Artists young and old  
I can bring you to the top! Where'd this unwritten law come from anyway?  
That years after the contract you should  
Still be gettin' paid? Boy, I go broke  
And hit the skids before I take care of  
A rich sucker's kids. Hell,  
My contract... A contract ain't no pension plan,  
My contract... Years after this my kids are still  
Gonna make the grand.  
Tony, you... And you laugh at my brother Little Richard  
When he says you ain't gave him nothing.  
Let's leave him out of this Hell, that ain't no joke.  
His songs are still sellin', that man  
Could die broke. So fellow artists,  
U need me... Push for yours, and watch for  
Mr. Money Minder, as we settle the score.
