

# Prince, Make Your Mama Happy

Never say die, never say why (Oh yeah)

Make your mama happy  
Make somebody proud  
Never say die, never say why  
Stand up, touch the clouds

Billy got a test in geometry  
He didn't study night before  
He wants a steady job and a salary  
So I guess he gotta study more  
That's why we're sayin'

Make your mama happy  
Make somebody proud  
Never say die, never say why  
Stand up, touch the clouds

Annie went 2 college, got a Ph.D.  
Drive a BMW  
All the things Annie ever wanted 2 be  
She was when she finished school  
That's why we're sayin'

Make your mama happy  
Make somebody proud  
Never say die, never say why  
Stand up, touch the clouds

(Yeah, yeah)  
(Somebody proud)

People of 2morrow want a better way  
It gets harder and harder every day  
Don't let 'em fool ya, don't cha let 'em say  
U're any less than they are  
Baby, U're here 2 stay!

Oh yeah [x3]  
Happy  
Make your mama happy
